ACADEMIC POSITIONS

Assistant Professor Department of Psychology National Taiwan University, Taipei, Taiwan	2020-Present
Postdoctoral Fellow Department of Psychological and Brain Sciences (with Luke J. Chang, Ph.D.) Dartmouth College, Hanover, NH, USA	2017-2019

EDUCATION

Dartmouth College , Hanover, NH, USA Ph.D. in Psychological and Brain Sciences	2017
National Taiwan University , Taipei, Taiwan M.Sc. in Clinical Psychology. Licensed Clinical Psychologist	2009
National Taiwan University , Taipei, Taiwan B.Sc. in Psychology	2005

FUNDING

Co-PI, Ministry of Education, Taiwan. Psychological science of well-being.	2022-2024
Principal Investigator , Ministry of Science and Technology, Taiwan. Towards a Computational Understanding of Mianzi across Cultures: A Computational Neuroscience Approach	2020-2023
Principal Investigator , Chiang Ching-Kuo Foundation for International Scholarly Exchange, Scholar Grant. Towards a Computational Understanding of Social Status and Mianzi in Chinese and American Cultures	2017-2018

AWARDS AND HONORS

2030 Cross-Generation Young Scholars Program, Ministry of Science and Technology, Taiwan	2022-2023
Ministry of Science and Technology (MOST) Ta-You Wu Memorial Award	2021
Young Scholar Fellowship Program, Ministry of Science and Technology, Taiwan	2019-2022

Social and Affective Neuroscience Society Poster Award	2019
Outstanding Abstract Travel Award, Social Personality Health Network	2019
Methods in Neuroscience at Dartmouth Computational Summer School	2018
DataBlitz Travel Award, Self-Regulation Preconference, SPSP	2016
Student Travel Award, Society for Personality and Social Psychology (SPSP)	2015
Dartmouth Graduate Studies Graduate Travel Award, Dartmouth College	2014
Studying Abroad Scholarship, Ministry of Education, Taiwan	2013-2015
Student Travel Award, International Cultural Neuroscience Consortium	2012
Fulbright Graduate Study Grant – Full Grant, Fulbright Taiwan	2011-2013
The Su Hsiang-Yu Scholarship, Taiwanese Psychological Association	2009
College of Science Dean’s Award, National Taiwan University, Taiwan	2009
Student Travel Award, National Science Council, Taiwan	2009

PUBLICATIONS

- [12] **Chen, P.-H. A.** & Qu, Y. (2021). Taking a computational cultural neuroscience approach to study parent-child similarities in diverse cultural contexts. *Frontiers in Human Neuroscience*, *15*, 703999.
- [11] Chang, L. J., Jolly, E., Cheong, J. H., Rapuano, K., Greenstein N., **Chen, P.-H. A.**, & Manning, J. R. (2021). Endogenous variation in ventromedial prefrontal cortex state dynamics reflects affective experience in naturalistic viewing. *Science Advances*, *7*(17), eabf7129.
- [10] **Chen, P.-H. A.**, Jolly, E., Cheong, J. H., & Chang, L. J. (2020). Intersubject representational similarity analysis reveals individual variations in affective experience when watching erotic movies. *Neuroimage*, *216*, 116851.

MANUSCRIPTS UNDER REVIEW

Chen, P.-H. A., Fareri, D., Güroğlu, B., Delgado, M.R., & Chang, L. J. (Under review). Towards a neurometric-based construct validity of trust. *bioRxiv*, <https://doi.org/10.1101/2021.07.04.451074>

Lee, I.-C.* , **Chen, P.-H. A.*** , & Teoh, Y.-S.* (Under review). Investigating subjective well-being among three subordinate groups from a power-basis theory perspective.

MANUSCRIPTS IN PREPARATION

Underlined authors are current or former trainees (graduate, undergraduate, and research assistants); * indicates co-first authorship.

Chen, P.-H. A.*, Morelli, S. A.* , Wondra, J.D., & Chang, L. J. (Manuscript in preparation). Medial prefrontal cortex encodes idiographic representations of empathy. *denotes equal contributions.

Chang, L. J., Li, X., Nguyen, K., Ranger, M., **Chen, P.-H. A.**, Castellon, J.L., Samenez-Larkin, G. R., Fareri, D. S., Delgado, M. R., & Tomova, L. (Manuscript in preparation). A neural signature of reward.

Chou, F.-C. B. & **Chen, P.-H. A.** (Manuscript in preparation). Using intersubject representational similarity analysis to examine the impact of self-awareness on cue reactivity.

Chou, F.-C. B., & **Chen, P.-H. A.** (Manuscript in preparation). Intersubject representational similarity analysis uncovers individual variations in experiencing effortful self-control.

Chen, P.-H. A. (Manuscript in preparation). Uncovering the association between individual variations in self-awareness and brain emotional reactivity by intersubject representation similarity analysis.

INVITED TALKS

Advances in Cultural Psychology Preconference, Society for Personality and Social Psychology 2022 Annual Meeting	2022
MOST 2022 Psychological Science and Brain Imaging Research Symposium	2022
MOST 2022 Psychological Science Research Symposium	2022
Department of Psychology, National Cheng Kung University, Taiwan	2021
Department of Cognitive Science, Indian Institute of Technology Kanpur, Virtual Colloquium	2021
Society for Affective Science 2021 Annual Conference, Virtual Conference	2021
Department of Psychology, University of Hong Kong, Virtual Colloquium	2021
NTU-Tohoku AI Symposium, Virtual Symposium	2021
Department of Psychology, Sungkyunkwan University, Virtual Colloquium	2021
Center for Survey Research, Academia Sinica, Taipei, Taiwan	2021
NTU Center for Artificial Intelligence and Advanced Robotics, Taipei, Taiwan	2021
Institute of Ethnology, Academia Sinica, Taipei, Taiwan	2020
International Cultural Neuroscience Society Meeting, Virtual Conference	2020
Graduate Institute of Brain and Mind Sciences, National Taiwan University	2020
Institute of Cognitive Neuroscience, National Central University, Taiwan	2020
Asian Association of Social Psychology 13 th Biennial Conference, Taiwan	2019
Association for Psychological Science 31 st Annual Convention, Washington, D.C.	2019
Department of Psychology, National Taiwan University, Taiwan	2019
Department of Psychology, New York University, NYC, NY	2019
College of Science, National Chengchi University, Taiwan	2019
Department of Psychology, National Chengchi University, Taiwan	2019
Psychology Program, New York University Abu Dhabi, UAE	2019
Health Preconference, Society for Personality and Social Psychology 20 th Annual Meeting, Portland, OR	2019
Department of Psychology, National Chengchi University, Taiwan	2018
New England Research on Decision-Making, Harvard University, MA	2018
Social and Affective Neuroscience Society 11 th Annual Meeting, NYC, NY	2018
Cognitive Neuroscience Society 25 th Annual Meeting, Boston, MA	2018
Institute of Cognitive Neuroscience, National Central University, Taiwan	2016
Department of Psychology, National Cheng Kung University, Taiwan	2016
Self-Regulation Preconference, Society for Personality and Social Psychology 17 th Annual Meeting, San Diego, CA	2016
Cognitive Neuroscience Society 22 nd Annual Meeting, San Francisco, CA	2015
Department of Psychology, National Taiwan University, Taiwan	2015
Advance in Cultural Psychology Preconference, Society for Personality and Social Psychology 16 th Annual Meeting, Long Beach, CA	2015
Social Brain Sciences Symposium 2014, Boston College, MA	2014
Social Brain Sciences Talk Series, Dartmouth College, NH	2012

CHAired SYMPOSIA & SALON

Chair, 12 th Conference for Chinese Psychologists. <i>Social cognitive neuroscience in Taiwan</i>	2022
Salon Host, 2021 Society for Affective Science Annual Virtual Conference. <i>Finding a job and setting up a lab overseas</i>	2021

Chair, Asian Association of Social Psychology 13 th Biennial Conference, Taiwan. <i>Toward a neuro-scientific understanding of social and cultural influence</i>	2019
Co-Chair, Association for Psychological Science 31 st Annual Convention, Washington, D.C. <i>Expectations in context: the role of social factors in healthcare treatments</i>	2019

PROFESSIONAL SERVICE

Social & Affective Neuroscience Society, Executive Board	2021-Present
Journal of Cognitive Neuroscience, Consulting Editor	2021-Present
Society for Affective Science, Abstract Committee	2021-Present
Frontiers in Integrative Neuroscience, Review Editor	2021-Present
Journal of Cognitive Neuroscience Travel Fellowship Committee	2022
Social & Affective Neuroscience Society, Meeting Program Committee	2021
The Su Hsiang-Yu Scholarship, NTU Review Committee	2020
Social & Affective Neuroscience Society, Meeting Program Committee	2020
Social Personality Health Network, Poster & Award Review Committee	2020

MENTORING & RESEARCH ADVISING

<i>Master Program Students</i>	
Yen-Si Ashlee Kuo	2021-Present
<i>Undergraduate Research Project</i>	
Yu-Chieh Chole Chen	2020-Present
Feng-Chun Ben Chou	2020-Present
Hsuan-Jung Sharon Pan	2020-Present
Chiang Rose Lin	2020-Present
Po-Yuan Alan Hsiao	2021-Present
Yi-Wen Yvonne Huang	2021-Present
<i>Dissertation Committee</i>	
Zhilin Su, Graduate Institute of Brain and Mind Sciences, NTU (Advisor: Ming-Tsung Tseng)	2020

TRAINEE CONFERENCE PRESENTATION

Underlined authors are current or former trainees (graduate, undergraduate, and research assistants)

Huang, Y.-W. Y., Kuo, Y.-S. A., Chou, F.-C. B., Chen, Y.-C. C., Hsiao, P.-Y. A., Lin, C. R., Pan, H.-J. S., & Chen, P.-H. A. (2022). Differential impacts of dual identities on Taiwanese affective preferences. Society for Affective Science 2022 Virtual Conference.

Chen, Y.-C. C., Huang, Y.-W. Y., Kuo, Y.-S. A., Chou, F.-C. B., Hsiao, P.-Y. A., Lin, C. R., Pan, H.-J. S., & Chen, P.-H. A. (2022). Large-scale stressors facilitate divergent interpretations toward ambiguous naturalistic contents. Society for Affective Science 2022 Virtual Conference.

Chou, F.-C. B., Pan, H.-J. S., Huang, Y.-W. Y., Kuo, Y.-S. A., Chen, Y.-C. C., Hsiao, P.-Y. A., Lin, C. R., & Chen, P.-H. A. (2022). Collective synchronization of emotional expressions under a large-scale social stressor. Society for Affective Science 2022 Virtual Conference.

Kuo, Y.-S. A., Huang, Y.-W. Y., Chou, F.-C. B., Chen, Y.-C. C., Hsiao, P.-Y. A., Lin, C. R., Pan, H.-J. S., & Chen, P.-H. A. (2022). Social isolation enhances the effect of fantasy on appraising affective experiences. Society for Affective Science 2022 Virtual Conference.

Hsiao, P.-Y. A., Chou, F.-C. B., Lin, Y.-J., Jolly, E., Chang, L.J., & Chen, P.-H. A. (2022). Intersubject representational similarity analysis reveals individual variations in affective experience transcending cultural differences. Society for Affective Science 2022 Virtual Conference.

Chen, P.-H. A., Lin, Y.-J., Jolly, E., Chen, Y.-C., & Chang, L.J. (2021). Toward an understanding of face rule during real-time social interaction. Social & Affective Neuroscience Society 2021 Virtual Conference.

Chou, F.-C. B., & Chen, P.-H. A. (2021). Self-awareness impacts individual variations in perceiving appetitive cues. Cognitive Neuroscience Society 2021 Virtual Conference.

Chen, Y.-C. C., Chou, F.-C. B., & Chen, P.-H. A. (2020). Inhibitory training impacts the transition probability across multiple temptation-related states. Taiwanese Psychological Association Annual Meeting, Virtual Conference.

TEACHING

Seminar in Computational Social Psychology, National Taiwan University
Advanced Cognitive Neuroscience, National Taiwan University
Cognitive Science, National Taiwan University
General Psychology, National Taiwan University
Personality Psychology, National Taiwan University
Seminar in Social and Cultural Neuroscience, National Taiwan University
Advanced Social and Personality Psychology, National Taiwan University
Social Psychology, Dartmouth College
Laboratory in Psychological Science, Dartmouth College
Introduction to Neuroscience, Dartmouth College
Human Brain Imaging, Dartmouth College

CLINICAL EXPERIENCE

Clinical Psychologist of Higher Examination, The Examination Yuan, Taiwan	2011
Intern Clinical Psychologist, Department of Psychiatry, NTU Hospital, Taiwan	2008
Intern Clinical Psychologist, Department of Neurology, NTU Hospital, Taiwan	2007
Intern Clinical Psychologist, Department of Neurosurgery, NTU Hospital, Taiwan	2007

SOFTWARE/PROGRAMMING SKILLS

Machine-learning and Computational modeling (Scikit-learn, Numpy, Scipy), Facial expression analysis (Py-feat, OpenFace), Neuroimaging (Python: Nipype, Nilearn, Nltools, fmriprep), Interactive Web application (Javascript, Meteor)

AD-HOC REVIEWING (Papers, Grants, Proposals)

Asian Journal of Social Psychology; Biological Psychology; Biological Psychiatry: Cognitive Neuroscience and Neuroimaging; Cognitive, Affective, and Behavioral Neuroscience; Frontiers in Behavioral Neuroscience; Frontiers in Human Neuroscience; Israel Science Foundation (ISF); Neuroimage; Journal of Cognitive Neuroscience; Journal of Neuroscience; Social Cognitive and Affective Neuroscience; Scientific Reports; The Quantitative Methods for Psychology

SELECTED MEDIA COVERAGE
